The Program

The Sponsor

Benefits to Sponsor

- ✦ Raise significant donations with little effort
- ✦ No cost to participate in program, no inventory to dispense
- ✦ Enhance corporate image through year-round community involvement
- ✦ Visible display of corporate involvement with charitable organization through highly visible placard on canister

Responsibilities of Sponsor

- ✦ Place canister in safe, visible, and accessible location
- ✦ Minimal cleaning to keep an attractive appearance
- ✦ Coordinate with local route technician for collections
- ✦ Receive credit for donations generated with program

The Charitable Organization

Benefits to Organization

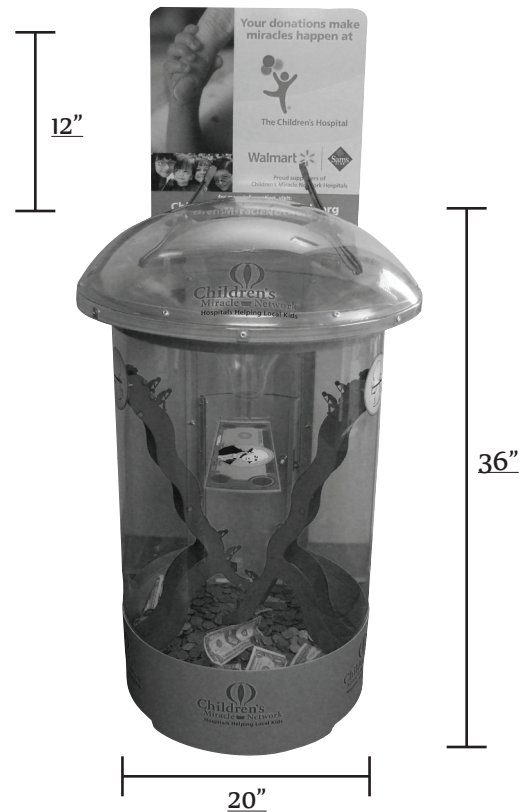

- ✦ Receive significant funds for minimal effort
- ✦ Offer alternative ways for sponsors to be involved in year-round fund-raising
- ✦ Easy program to promote to sponsors
- ✦ Visible display of organization's name and logo in more public places

Responsibilities of Organization

- ✦ Provide suitable sponsor locations for entire term of program
- ✦ Receive funds from donations at participating sponsor location

What We Do

- ✦ Single point of contact for all aspects of program
- ✦ Provide canister at no cost to sponsor location
- ✦ Maintain canister – repairs, deep cleaning, and parts as required
- ✦ Collect and process donations under an organized and auditable process
- ✦ Provide accurate reports of donations and collections to sponsor and charitable organization
- ✦ Manage collections, deposits, and reporting of all donations received
- ✦ Disburse proceeds to charitable organization
